

TEAM FIJI OFFICIAL SONG LYRICS - "SHOTGUN" BY GEORGE EZRA

Oh my Mickey Glazier c'ya later
You ain't a coach
You ain't a coach
Olympics 2018 is here
This is now our year
We're gonna get used to this

Camp flies by in the Mah-Kee-Nac heat
Don't want sunburn like ginger Rory
There's a Fiji curse that says we're the worst
If you need us you'll know where we'll be

We'll be in 8th place
Running backwards in a race
Wearing pink on Saturdays

We'll be in 8th place
Running backwards in a race
Wearing pink on Saturdays

Waaaahooooo

We are south of the equator, Fiji Nation
Gotta get the gold
Gotta get the gold
Herber can't swim off the dock
Look how Daves not at the top
We could get used to this!

Camp flies by in the Mah-Kee-Nac heat
Liam Ambler seems very lazy
There's a Fiji curse that says we're the worst
If you need us you'll know where we'll be

We'll be in 7th place
Running forwards in a race
Wearing Pink of Saturdays

Looks like we're in 6th place
Running faster in a race
Wearing pink on Saturday

We got Shovels in the front
Dan in the back
Swimming along
And we don't look back

(PAUSE + CLAP)

Camp flies by in the Mah-Kee-Nac heat
Look around you'll see Guigs on Oak Street
Hey, there's Tanks mustache that looks really trash
You don't need it, please shave it for me

Now we're in 5th place
Not a member we'd replace
Wearing Pink on Saturdays

We'll be in 4th place
We're a team that you'll chase
Wearing pink on Saturdays

We'll be in 3rd place
Looking forward to 2nd place
Wearing pink on Saturdays

Running through 3rd base
Looks like we're in 1st place
Wearing pink on Saturdays, on Saturdays, on Saturdays, on Saturdays
